MENU ENGINEERING & F&B ADVISORY

Four kinds of dish. *Four decisions.*

POPULARITY THRESHOLD: 70% OF AN EQUAL SHARE (5.8%). CONTRIBUTION THRESHOLD: WEIGHTED AVERAGE (£8.72).

Stars

Popular and profitable. Protect the spec and position.

Plowhorses

Popular, thin margin. Re-cost portion, recipe or price.

Puzzles

Profitable, overlooked. Reposition and recommend.

Dogs

Low on both. Rework or retire, unless strategic.

03 · ACTION PLAN

Six changes, *in order.*

	DISH	ACTION	WHY	EFFORT	MEASURE
1	**Braised Lamb Shoulder**	Feature: box it, move it to the top of mains, brief the floor	Highest contribution, low visibility	Low	Mix share vs. baseline
2	**Caesar Salad**	Reprice to £12.50	Sits just below the contribution line	Low	Contribution and volume
3	**Truffle Fries**	Re-portion and pair with mains	High volume, thin contribution	Low	Food cost per portion
4	**Roast Seabass**	Simplify garnish, then feature	Strong margin, heavy on the line	Medium	Ticket times at peak
5	**Pork Belly Bao**	Retire; free the station	Low on both lines; own prep	Low	Prep hours saved
6	**Short Rib Croquettes**	Move to specials	Labour-heavy, rarely ordered	Low	Specials uptake
